INDEPENDENT REPORTING ACCOUNTANTS' REPORT TO THE MEMBERS ON THE UNAUDITED ACCOUNTS OF IVY HOUSE COMMUNITY PUB LIMITED

FOR THE YEAR ENDED 28 FEBRUARY 2022

We report on the accounts for the year ended 28 February 2022 set out on pages 3 to 13.

Respective responsibilities of the committee of management and the independent reporting accountant

The society's committee of management is responsible for the preparation of the accounts, and they consider that the society is exempt from an audit. It is our responsibility to carry out procedures designed to enable us to report our opinion.

Basis of opinion

Our procedures consisted of comparing the accounts with the books of account kept by the society and making such limited enquiries of the officers of the society as we considered necessary for the purpose of this report. These procedures provide the only assurance expressed in our opinion.

Opinion

In our opinion:

- the profit and loss account and balance sheet for year ended 28 February 2022 are in agreement with the books of account kept by the society under section 75 of the Co-operative and Community Benefit Societies Act 2014;
- having regard only to, and on the basis of the information contained in the books of account, the revenue account and balance sheet for the year ended 28 February 2022 comply with the requirements of the Co-operative and Community Benefit Societies Act 2014; and
- the society met the financial criteria enabling it to disapply the requirement to have an audit of the accounts for the year specified in section 84 of the Co-operative and Community Benefit Societies Act 2014.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2022

1. General information

The Ivy House Community Pub Limited ('the Society') is a registered Society and a private company limited by shares and incorporated in England and Wales. The Company's registered number is 31957R.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland, the Companies Act 2006 and the Cooperative and Community Benefit Societies Act 2014. The address of the registered office is given in the Society information at the start of these accounts.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Society's accounting policies.

The financial statements are presented in sterling which is the functional currency of the Society and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the Management Committee Members believe that no material uncertainties exist. The Members have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The level of funds is deemed sufficient for the Society to be able to continue as a going concern.

2.3 Revenue

Turnover is measured at the fair value of the consideration received or receivable net of VAT and trade discounts.

Interest income is recognised using the effective interest method.

2.4 Government grants

Grants are accounted under the accruals model as permitted by FRS 102. Grants relating to expenditure on tangible fixed assets are credited to profit or loss at the same rate as the depreciation on the assets to which the grant relates. The deferred element of grants is included in creditors as deferred income.

Grants of a revenue nature are recognised in the Profit and Loss account in the same period as the related expenditure.

2.5 Borrowing costs

All borrowing costs are recognised in profit or loss in the year in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2022

2. Accounting policies (continued)

2.6 Pensions

Defined contribution pension plan

The Society operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Society pays fixed contributions into a separate entity. Once the contributions have been paid the Society has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Society in independently administered funds.

2.7 Taxation

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Society operates and generates income.

2.8 Tangible fixed assets

Tangible fixed assets costing £100 or more are capitalised.

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Freehold property - 2% for building, 4%-20% for improvement

work, straight line

Pub equipment - 25%-33% straight line Fixtures and fittings - 20%-33% straight line Office equipment - 20%-33% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2022

2. Accounting policies (continued)

2.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Stock has been independently valued as at the balance sheet date by an external, licensed trade consultant.

2.10 Debtors

Debtors are recognised when the Society is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably, and it is probable that the income will be received.

2.11 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.12 Creditors

Creditors are recognised when the Society has a present legal or constructive obligation resulting from a past event and the settlement is expected to result in an outflow of economic benefits.

2.13 Financial instruments

The Society only holds basic Financial Instruments. The financial assets and financial liabilities of the Society are as follows:

Debtors - other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in Note 8. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Liabilities - trade creditors, accruals and other creditors will be classified as financial instruments, and are measured at amortised cost as detailed in Notes 10 and 11. Taxation and social security are not included in the financial instruments disclosure. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is simply an obligation to deliver services rather than cash or another financial instrument.

During the year, £49,424 of deferred income was released, and a further £31,767 was deferred (2021: £49,424, resulting in a carried forward balance of £31,767 (2021: £49,424) as at the year-end.

Deferred income relates to grant and event funding received in advance, relating to events and conditions after the year-end.

Loans due in less than one year represent the amounts payable in this term for the Bounce Back loan and the Architectural Heritage Fund.

The Bounce Back loan is guaranteed by the UK government and is interest-free for the first 12 months from drawdown. After this period, interest is capped at 2.5% per year over the remaining term. The repayment term is 6 years from drawdown.

The Architectural Heritage Fund loan is secured by a first fixed legal charge with full title guarantee over the freehold property known as "The Ivy House". In June 2021, the loan was repaid and re-issued under new terms. As such, the balance of the loan as at 28 February 2021 was recognised within Creditors: Amounts falling due within one year.
